To: WJRF Jumpers,  
Coaches, Parents, and all other Stakeholders,

The 2019 WJRF World Jump Rope Championships in Oslofjord, will have anti-doping control. WJRF's anti-doping initiative is athlete centered. The purpose of anti-doping is to promote fair play, instill healthy lifestyle behaviors, and make the sport of jump rope consistent with Olympic regulations.

For more information please go to <http://worldjumprope.org/wada>

As always, there will be a team of Athletic Trainers/Physiotherapists/Chiropractors at the venue for the athletes. They are mainly there to provide emergency response and basic first aid. Any additional services (ex: ankle taping, kinesio-taping, stretching, etc.) will be charged individually and accordingly.

Thank you,
